

MAT-MATE

by Superior Attachments Inc.

- ◆ *Mat-Mate powers off organic material at a rate that normal scraping cannot match.*

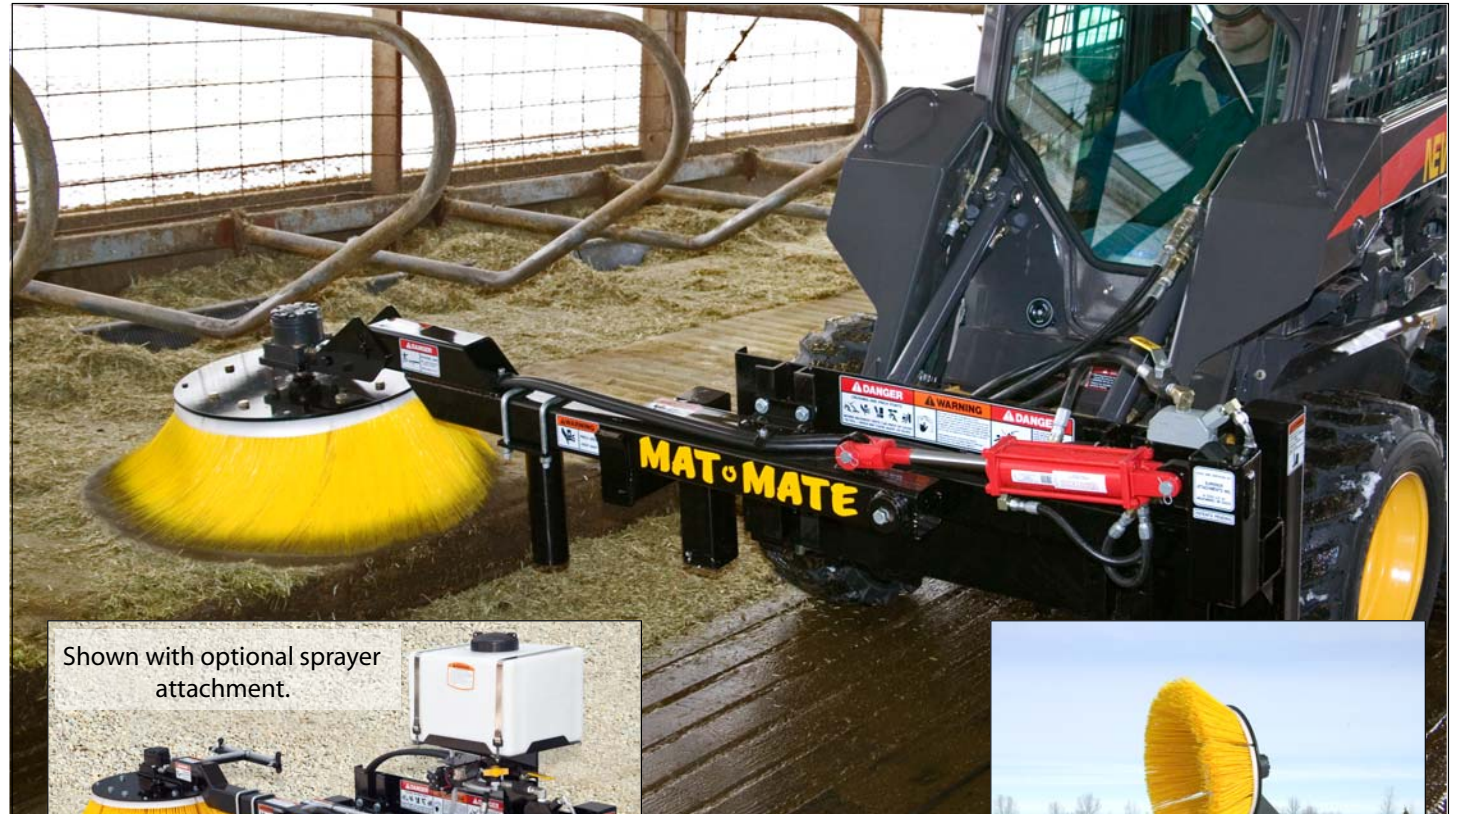

- ◆ *Better removal of organic material means mats will dry quicker.*

- ◆ *Drier and cleaner mats lower bacterial growth.*

- ◆ *Skid Steer Universal mounting plate.*

- ◆ *One set of hydraulic couplers runs Mat-Mate's rotary brush and operates the boom.*

- ◆ *Optional sprayer attachment applies disinfectant to the brushed areas.*
